Sir,

I have the honour to state that the Town Municipal Council, Chikballapur, arranged under its auspices for the University Extension Lecutures in Kannada during the year 1940-41 and an expenditure of Rs 150/- was incurred in this behalf Out of this sum of Rs 150/- a major portion, viz , Rs 113/- was spent on dinner, coffee and tea and the rest for printing, invitations etc , During the audit of the accounts of the Municipality the amount spent on dinner, coffee and tea was held under objection on the ground that the professors who delivered lectures are Government servants drawing Travelling Allowance admissible to them and that therefore the amount may either be recovered from them or sanction of Government be obtained to admit the expenditure in audit as this is not a proper charge on the Municipal Funds

The President of the Municipality has stated that the Council sanctioned an expenditure of Rs 150/- on 15th January 1940 and that the expenditure comes under the proviso of Section 58(o) of the Town Municipalities Act and that sanction of Deputy Commissioner should have been obtained for meeting the expenditure but the same was not obtained as there was no sufficient time at the disposal of the Council He has further stated that the expenditure incurred was approved by the Council on 31st January 1941 and that the audit objection was also considered by the Council at their meeting held on 31st August 1942 and they have resolved that sanction of Government may be obtained to admit the expenditure in audit

Whatever may be the provision of Section 58(o), the Muncipal Council should have obtained the previous sanction of Government to incur the expenditure as this is an extraordinary item of expenditure

expenditure As they have failed to do this, the action of the Municipal Council cannot therefore be said to be regular. However as the Municipality has already incurred the expenditure and as it is also not fair to ask the Professors now to pay for the entertainment and reception given by the Municipal Council, sanction of Government may kindly be obtained to regularise the action of the Municipal Council

Extracts from the proceedings of the Municipal Council and a copy of the audit objection are, herewith, enclosed for favour of perusal

I have the honour to be,

Note received from the Secretary, University Teachers' Association Mysore

Lectures were arranged by the Bangalore Branch of the University Teachers' Association under the auspices of Chikkaballapur Municipality on the 9th, 10th, 17th, 24th and 30th November 1940 and 9th December 1940 The total number of lectures delivered is 26 The Chikkaballapur culture week has been sanctioned in Registrar's letter No 18126 dated 10-1-1941 and the expenditure incurred was fully met out of the University grant to the University Teachers' Association No contribution was paid by the Chikkaballapur Municipality towards the travelling, boarding and lodging expenses incurred by the University Teachers' Association On the opening and closing days the members of the lecture party were invited to social gatherings arranged by the Chikkaballapur Municipality.

6 days

University Extension Lectures are of two kinds -- single lectures and series of lectures Single lectures are arranged by the University directly and series of lectures by the University Teachers' Association in Mysore and its branches in Bangalore, Tumkur and Shimoga Every year, the programme of single lectures and lecture-series is proposed by the University Extension Lectures Committee and approved by the University. The University Teachers' Association is given a subvention by the University for the lecture-series that it arranges and accounts are rendered to the University for the subvention received. In addition to the grant from the University, the Association receives sometimes small contributions from the local bodies under whose auspices lectures are arranged and the receipt of such contributions is reported to the University and accounts are rendered for the contributions received These contributions are voluntary. It is not obligatory on the part of a Municipality to pay a contribution towards the expenses of

P.T.O.

of the lecturers if it cannot afford. Lectures have been arranged under the auspices of Municipalities that have not paid any contribution and the Chikkaballapur Municipality is one such. But it is desirable that a local body should make at least a small contribution as a token of its earnestness.

Ordinarily, the Association expects the Municipality under whose auspices lectures are given to distribute notices of lectures sent and to make seating and lighting arrangement at the lecture hall. If the Municipality can afford it can make a contribution towards the boarding, lodging and travelling expenses of the lecturers Accounts are rendered to the University for the contributions received from the Municipality A contribution received will enable the University and the University Teachers' Association to extend its programme of Lectures.
